**Invitation to express interest
in a future
QA scheme piloting
for breast cancer
services
& stakeholders**

European
Commission

Invitation to express interest in a future QA scheme piloting for breast cancer services & stakeholders: an OPEN INVITATION

to initiate a two-ways flow of
communication

And to create new **relations** and
strengthen existing ones

Objectives of the open invitation:

Disseminate, facilitate, engage

Early-warning on piloting

Prepare BCSs to provide data

European
Commission

Target

Policymakers, national
authorities

Cancer **societies**

BCSs, hospitals, **healthcare**
professionals

Quality managers, NABs, CABs

Patients advocacies and other
organisations

How

Involve **National Contacts** as
coordinator

Open the call online ->
from October '17– until Sept. '18

Disseminate the invitation

What then? Upon requests received

Online or face2face meeting

Possible roadshow dates

Start some data collection

Your role

Participate in possible meeting

Help in **disseminating**

Help to better **tailor** material in line with national/regional contexts
