

European Commission Initiative on Breast Cancer - Annual Declaration of Interests (ADoI)

Name: Francesco Sardanelli

Nature of activities	Period	Entity	Subject matter
1. Ownership or financial investments, including shares		None	
2. Membership of a managing body or equivalent structure		None	
3. Membership of another scientific advisory body	2009 – present time	- European Institute for Biomedical Imaging Research (EIBIR) - Vienna, Austria - Nature: non-profit private, promoted by the European Society of Radiology	Function of body: Support to Biomedical Imaging Research Function of expert: Director of the European Network for Assessment of Imaging in Medicine (EuroAIM) Link to website of body: http://www.eibir.org/
4. Employment	March 2006 – present time	- University of Milan and Research Hospital (IRCCS) Policlinico San Donato, San Donato Milanese, Milan, Italy -Type: Public (State) University; Private Hospital working for the public regional health system	Director of the Department of Radiology at the Research Hospital Policlinico San Donato, Milan, Italy Responsible for the San Donato Unit of the mammographic screening of the Local Public Health Authority (ASST Milano)
5. Consultancy/Advisory	2017	General Electric	Advisory Board on breast imaging, member
5. Consultancy/Advisory	2017-19	Bracco Imaging	Invited speaker
6. Influence on definition of research priorities	2009 – present time	American Journal of Roentgenology – American Roentgen Ray Society	Assistant Editor, Women’s Imaging Section
6. Influence on definition of research priorities	2010 – present time	The Breast - Elsevier	Member of the International Advisory Board

Nature of activities	Period	Entity	Subject matter
6. Influence on definition of research priorities	2017 – present time	European Radiology Experimental - Springer	Editor-in-Chief
6. Influence on definition of research priorities	2000 – present time	Medical Journals	Manuscript reviewer other 50 medical journals, including: Academic Radiology, Acta Radiologica, American Journal of Roentgenology Integrative Imaging, Annals of Oncology, BioMed Central Cancer, Breast Cancer, Breast Cancer Research and Treatment, British Journal of Cancer, British Medical Journal, Cancer Detection and Prevention, Cancer Epidemiology, Biomarkers and Prevention, Clinical Breast Cancer, Current Women's Health Review, European Journal of Cancer, European Journal of Epidemiology, European Journal of Surgical Oncology, Future Oncology, Frontiers in Oncology, Gynaecologic Oncology, International Journal of Surgical Oncology, Investigative Radiology, Journal of Clinical Oncology, Journal of Comparative Effectiveness Research, PlosOne, Radiology, Radiotherapy and Oncology, The Breast Journal, Tumori.
6. Influence on definition of research priorities	2010	European Society of Breast Cancer Specialists	First author of the Recommendations for breast MRI. See: Sardanelli F, et al. Magnetic resonance imaging of the breast: recommendations from the EUSOMA working group. Eur J Cancer. 2010 May;46(8):1296-316.
7. Research grants and other funding	2012- present time	- Bayer Pharma AG, Berlin - Private - 320,000 euros	Research grant to the EIBIR/EuroAIM for the MIPA Study: Preoperative Breast MRI in Clinical Practice. Multicenter International Prospective Meta-Analysis (MIPA) of Individual Woman Data. See: http://www.eibir.org/projects/industry-initiated-studies/mipa/
7. Research grants and other funding	2018	General Electric - Private - 200,000 euros	Installation for research activity of a mammographic unit (model <i>Pristina</i>) for mammography, digital breast tomosynthesis, and contrast-enhanced mammography at the Dept. of Radiology of the IRCCS Policlinico San Donato, San Donato Milanese, Milan.

Nature of activities	Period	Entity	Subject matter
8. Principal investigator or investigator	2012-2103	Bayer Pharma AG, Berlin	P.I. of the GEMMA1 Study (large international multicenter study on breast MRI in the preoperative setting; See Sardanelli F et al. Gadobutrol-enhanced MRI of the breast in the preoperative setting: results of two prospective international multicenter Phase III studies. Invest Radiol 2016)
8. Principal investigator or investigator	2007-2009	Bracco Imaging SpA	Local investigator of the DETECT study. See: Martincich L et al. Multicenter, double-blind, randomized, intraindividual crossover comparison of gadobenate dimeglumine and gadopentetate dimeglumine for Breast MR imaging (DETECT Trial). Radiology. 2011 Feb;258(2):396-408.
9. Intellectual property rights (IPR)	MM/YYYY – MM/YYYY	None	
10. Other membership or affiliation (Medical Societies)	Current member	European Society of Radiology	Member of the Research Committee. https://www.myesr.org/cms/website.php?id=/en/ESR_ECR_news.htm
10. Other membership or affiliation (Medical Societies)	Current member of the Executive Board, previously President	European Society of Breast Imaging	http://www.eusobi.org/cms/website.php
10. Other membership or affiliation (Medical Societies)	Current member	European Society of Breast Cancer Specialists	http://www.eusoma.org/
10. Other membership or affiliation (Medical Societies)	Current member, previously President	Italian College of Breast Radiologist by SIRM (Società Italiana di Radiologia Medica)	http://news.sirm.org/index.php/it/sirm/sezioni-di-studio/senologia
10. Other membership or affiliation (Medical Societies)	Current member	Radiological Society of North America	http://www.rsna.org/
10. Other membership or affiliation (Medical Societies)	Current member	American Roentgen Ray Society	http://www.arrs.org/
11. Interests of others		None	

Nature of activities	Period	Entity	Subject matter
12. Other		None	

I also declare on my honour that the information disclosed in this form is true and complete to the best of my knowledge. Should there be any change to the above information, I will promptly notify the responsible service of the Commission and complete a new DoI form including the changes.
