ECIBC impact

ECIBC

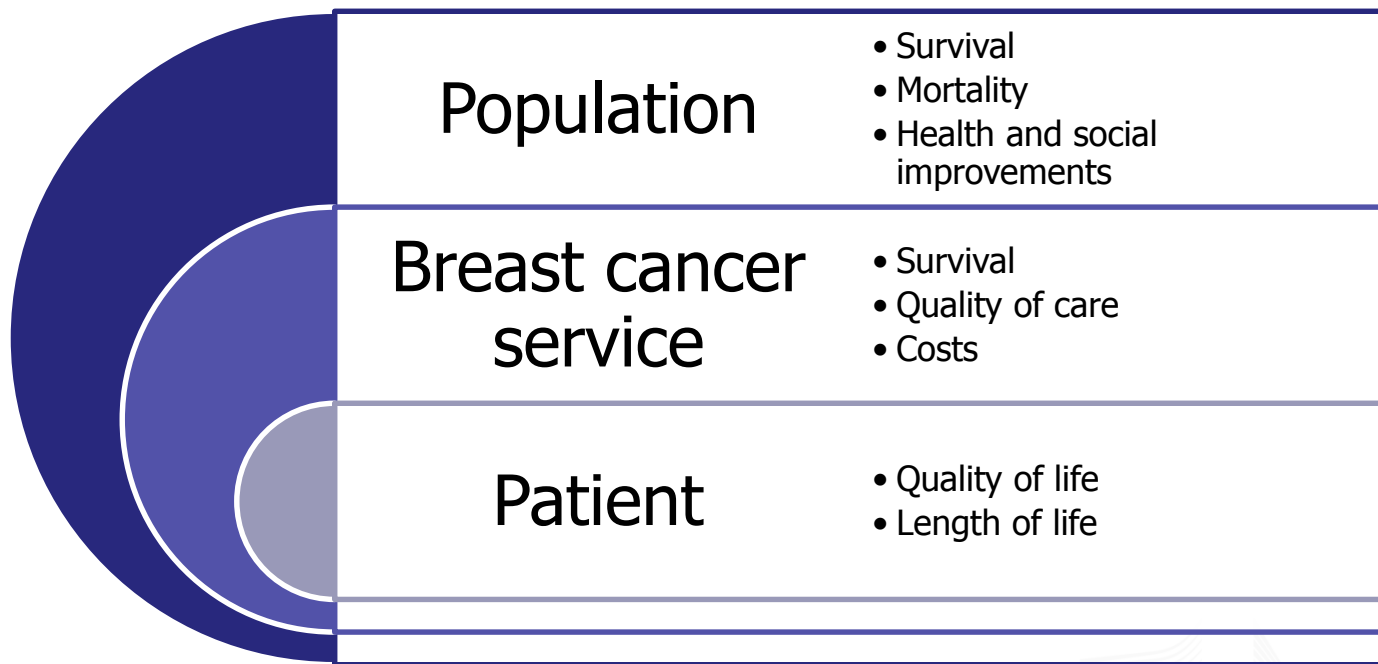

Patients/Citizens

Breast cancer services

Policies

Population

Indicators to be defined and relevant data collected

Evaluation of ECIBC impact

Possible scenarios:

- Comparison between indicators evaluated **before and after** implementation of Guidelines and/or QA Scheme **in the same** service/population
- Comparison **between** services/populations – implementing or not the Guidelines and/or QA Scheme
- Modelling approach

Roadmap

Consultations with experts and stakeholders

Preparation of ECIBC monitoring and evaluation plan

- Indicators
- Data
- Methods
- Resources
